MEMORANDUM FOR: Members, Working Group on Map  
and Publications Procurement

FROM:  Chairman  
Human Resources Committee

25X1

SUBJECT: Working Group Report

1. Attached is the draft report of the Working Group on Map and Publications. It is based, in large measure, on the input from each of you to the various Working Group subpanels.

2. The draft report is cited in FY 1984 DCI Program Guidance directed to State and CIA. State and CIA are to develop program recommendations for FY 1984 and the outyears, based on recommendations contained in the Working Group's final report. The program recommendations are to be submitted by 15 June 1982; therefore, I ask that you review the attached report as expeditiously as possible. Please provide any written or oral comment you may have to  by COB Monday, 3 May. If we have not heard from you by this time, we will assume that you concur.
